Lincoln and Bryan,

I hope you both have a good weekends planned. My client is rejecting your offer for a walkaway and has a counteroffer where Strike 3 will pay him \$ 14,736.00. The counter-offer is open until close of business, 9/11. A detailed letter is attached.

I know that will cut into your client's bottom line, but overall Strike 3 is still money ahead. I hope your client has the good business sense to accept this counter-offer.

Call my cell if you have any questions.

B. Regards,

Curt Edmondson 503-701-9719 cell.
